INTERGOVERNMENTAL REVIEW

CLEARINGHOUSE REPORT

September 1-15, 2007

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **September 01 through September 15, 2007**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **September 30, 2007**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address:	**Southern California Association of Governments** Intergovernmental Review Section 818 West Seventh Street, 12th Floor Los Angeles, CA 90017-3435
Telephone:	(213) 236-1800
Fax:	(213) 236-1963

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

City/County/Subregion: Lake Elsinore/Riverside/Western Riverside
Contact: Wendy Worthey - (951) 674-3124
Comment Due Date: **9/25/2007**

Project Description: The site is bordered by the conditionally approved Pacific Clay Annexation (LAFCO #2005-81-1) to the north, the Cleveland National Forest to the west, and the City of Lake Elsinore to the south and east, and is comprised of 37 parcels.

Riverside LAFCO conditionally approved the Pacific Clay Annexation (City of Lake Elsinore Annexation No. 72, LAFCO Annexation 2005-81-1) on March 23, 2006 by Resolution 21-06.

The annexation will alleviate the "island effect" of Riverside County land that will be created once the Pacific Clay annexation is approved. Other entitlements required as part of the proposed project include a General Amendment (GPA) and PreZone. In addition, two text amendments have been evaluated as part of this project.

Comment Due Date:	**10/5/2007**

Project Description:

General Plan and Zoning designation assignment of a 1.85-acre undesignated lot to General Commercial, and a conditional use permit for a vehicle storage lot. Proposed use of the site would consist of open display areas for vehicles, landscaping, and a vehicle inventory area. The proposed vehicle storage lot would consist of asphalt paving, ornamental landscaping, automobile displays, light poles, and low-profile lighting on the south side. No structures are proposed.

The project site is an undeveloped 1.85-acre site north of Santa Ana Canyon Road, west of Solomon Drive, east of Via Cortez, and immediately south of State Route 91 in the City of Anaheim.

Contact: Ronald J. Kosinski - (213) 987-0703
Comment Due Date: **10/18/2007**

Project Description: The California Department of Transportation (Caltrans) and the City of Oxnard have completed the Environmental Assessment/Draft Environmental Impact Report (EA/DEIR) for the U.S. 101/Del Norte Boulevard Interchange Improvement Project. The proposed project involves reconfiguration of an existing freeway interchange to eliminate existing geometric deficiencies in the interchange, enhance safety, improvement mobility and reduce traffic congestion and delay. There are four alternatives for the project that are discussed in the document.

Document Type: **EIR**
Project Title: **City Center II Mixed-Use Project**
Reg. Significance: **No**
Lead Agency: **Glendale Redevelopment Agency**
City/County/Subregion: Glendale/Los Angeles/Arroyo Verdugo
Contact: David Ahern - (818) 548-2005
Comment Due Date: **10/20/2007**

Project Description: This project would consist of two towers; a 20-story residential tower (west tower) and an 18-story hotel/residential mixed-use tower (east tower) both situated on a shared podium. In addition, a retail/cafe component would be provided on the ground floor of the east tower. Overall, the proposed project would consist of approximately 184 residential units, 171 hotel rooms and 4,089 square feet of commercial-retail space.

The project is located in the Central Glendale Redevelopment Project Area and is bounded by Orange Street to the west, Wilson Avenue to the north, Brand Boulevard to the east, and the existing City Center I office tower to the south.

City/County/Subregion: San Bernardino/San Bernardino/San Bernardino
Contact: Michael Burrows - (909) 382-4100
Comment Due Date: **10/9/2007**

Project Description: The proposed project consists of construction of new hangar facilities and related infrastructure to support corporate and general aviation uses. It is anticipated that some of the proposed new facilities may help to facilitate relocation of certain aviation related uses from the Rialto Municipal Airport to the San Bernardino International airport (SBIA). The 32 acres of land proposed to support the corporate/general aviation uses currently supports existing dilapidated industrial uses and vacant land which has been repeatedly disturbed. The SBIA property is adjacent to the San Bernardino International Trade Center Specific Plan which includes a variety of warehouse and distribution facilities.

Project Description: Final Master Plan PA-07-02 and Vesting Tentative Tract Map VT-16999 for Nexus Development for property located at 1640 Monrovia Avenue in a MG (General Industrial) zone and Mesa West Bluffs Mixed-Use Overlay Zone. The mixed-use development project consists of the following:

-- Residential condominiums in a four-story building complex;
-- Recreational amenity areas for the residents;
-- 42,000 sq. ft. commercial space in two- to four-story buildings;
-- 5 custom live/work units in three-story buildings;
-- 4.5-level parking structure and surface parking area,
-- Subdivision of the property for condominium purposes.

Project Title: **Mines Avenue Applied Technology Center**
Reg. Significance: **No**
Lead Agency: **Montebello Unified School District**
City/County/Subregion: Montebello/Los Angeles/Gateway Cities
Contact: Donald Yamagata - (323) 887-3044
Comment Due Date: **10/10/2007**

Project Description: The proposed new high school would have a daily enrollment of approximately 720 students in grades nine through twelve. Half of these students would attend a morning session (7:00 a.m. to 1:56 p.m.) while the other half would attend an evening session (2:00 p.m. to 8:56 p.m.). As an applied technology center, the school's curriculum would focus on technical and vocational training and attendees would be invited from other high schools within the District. Development of the new school would entail the construction of three buildings, totaling approximately 60,000 square feet of building space.

Project Title: **PRC 421 Recommissioning Project**
Reg. Significance: **No**
Lead Agency: **California State Lands Commission**
City/County/Subregion: /Not Applicable/
Contact: Eric Gillies - (916) 574-1897
Comment Due Date: **11/2/2007**

Project Description: The existing facilities at Lease PRC 421 include two piers on State tide and submerged lands below the bluffs marking the south limit of the San Piper Golf Course in the City of Goleta, Santa Barbara County, California.

The PRC 421 wells have occupied the current location since 1928, producing oil and gas until 1993 when the wells were shut-in. The PRC 421 wells occupy State tide and submerged lands under the jurisdiction of the CSLC. Venoco is a privately held, independent oil and gas company that has filed an application with the CSLC to return oil and gas lease PRC 421 to oil production. Based on current projections, the estimated productive life of PRC 421 would be approximately twelve years and production is expected to be no more than an average of 700 barrels of oil per day (BOPD) in the first year, tapering off to approximately 100 BOPD by year 12.

SCAG ID. No.: **I20070565**
Document Type: **NOP**
Project Title: **Specific Plan No. 369, General Plan Amendment No. 846, Change of Zone No. 7481, Tentative Tract Map No. 35702**
Reg. Significance: **Yes**
Lead Agency: **County of Riverside Transportation & Land Management Agency**
City/County/Subregion: County of Riverside/Riverside/Coachella Valley
Contact: Matt Straite - (951) 955-0545
Comment Due Date: **10/10/2007**

Project Description: Specific Plan No. 369 (Thermal 551) proposes a master-planned community on 612.1 acres supporting traditional single-family residential, multi-family residential, and open space land uses including recreational parks and drainage areas. The Specific Plan proposes 2,354 residential dwelling units on 436.9 acres, a private clubhouse on 2.6 acres, a lake on 21.4 acres, and 105.3 acres of recreational park, open space, and retention basins.

General Plan Amendment No. 846 would amend the Riverside County General Plan Land Use Element as it applies to the 612.1-acre Project site by changing the land use designations from Agriculture, Public Facility and Light Industrial to Medium Density Residential, Medium High Density Residential, High Density Residential, Open Space- Recreation and Open Space- Water.

Change of Zone No. 7481 would redesignate the site's zoning designation from Heavy Agriculture (A-2-20), and Manufacturing-Service Commercial (M-SC) to Specific Plan (SP) (equivalent to Riverside County's Zoning designation of General Residential (R-3).

Tentative Tract Map No. 35702 to subdivide the Project site into individual single-family lots and development parcels for residential, open space, and park uses. Common open space lots and public and private rights-of-way also will be defined.

SCAG ID. No.: **I20070566**
Document Type: **INS**
Project Title: **Clinton Keith Road at Interstate 215 Interchange**
Reg. Significance: **No**

City/County/Subregion: Murrieta/Riverside/Western Riverside
Contact: Stephanie Blanco - (909) 383-1554
Comment Due Date: **10/6/2007**

Project Description: The California Department of Transportation (Department) and the City of Murrieta (City) are proposing to reconstruct the Clinton Keith Road/Interstate 215 (I-215) interchange in the City of Murrieta, Riverside County. The project would modify the

existing Clinton Keith Road interchange at I-215 from a diamond configuration to a partial cloverleaf configuration by adding northbound and southbound loop on-ramps in the northwest and southeast quadrants. As part of the proposed project, the existing overcrossing would be removed and replaced with a new six-lane overcrossing.

Comment Due Date: **10/4/2007**

Project Description: This project is located east of Murrieta Road and West of Evans road along Orange Avenue, extending across the Perris Valley Storm Channel.

The proposed culvert crossing of the Perris Valley Drainage Channel at Orange Avenue will be an 11-barrel, 14 feet wide by 7-feet high, Reinforced Concrete Box Culvert with a total length of 162 feet and 56 in width. The proposed culvert crossing will be designed for the 10-year storm event. The flow rate in excess of the 10-year crossing will be allowed to overtop the roadway.
