2016 2040 RTPSCS

50 YEARS
SOUTHERN CALIFORNIA ASSOCIATION of GOVERNMENTS

AGENDA

WEDNESDAY, APRIL 15, 2015
5:30 pm to 7:30 pm
Lakeside Room @ Fairmount Park
2601 Fairmount Boulevard
Riverside, CA 92501

MEETING OBJECTIVES

- To provide the public with an understanding of SCAG's environmental justice (EJ) role in regional transportation planning
- To gather public input on any environmental justice issues that should be analyzed in the upcoming 2016-2040 RTP/SCS beyond what are included in the 2012-2035 RTP/SCS
- To gather public input on four important environmental justice issues that are integral parts of SCAG's current regional transportation planning activities

JOIN US

ENVIRONMENTAL JUSTICE WORKSHOP

Welcome
Huasha Liu, Director, Land Use & Environmental Planning, SCAG
Overview of the meeting purpose and agenda

Overview of SCAG and Environmental Justice in the Transportation Planning Process
Dr. Frank Wen, Manager, Research & Analysis, SCAG
Role of SCAG and environmental justice in regional transportation planning activities for the 2016-2040 RTP/SCS

Update on SCAG transportation planning activities and feedback from previous Environmental Justice public meetings

Questions

Public Input – Part 1
Meeting participants are invited to join a small group discussion on one of the following topics

- Parks and Open Space – How can we improve access to parks and open space for low-income and minority groups?
- Air Quality – How can we minimize the effects of air pollution on communities that live close to freeways and railways?
- Transit and Access – How can we improve access to transit and access to jobs, schools, shopping, and other amenities?
- Gentrification – What are your major concerns about the effects of gentrification on low-income and minority communities?

Public Input – Part 2
Meeting participants are invited to join a different small group discussion on one of the topics listed above under Part 1

Wrap Up and Next Steps
How Public Input will be incorporated into SCAG transportation planning activities

Upcoming SCAG workshops and other events

Additional areas of concern from participants beyond the four areas above
