Bridging the Gap, Income Disparities in Street Features that Encourage Walking, 2012

What you need to know

Temporary Demo projects for school safety

SRTS Launch Sites: San Bernardino

Lessons learned: safety policies

- Strategies that promote education
- Comprehensive policy approaches that are rooted in data & community narrative
- Expand opportunities for community to provide input are critical (example: VZ)
- Broad stakeholder engagement: Partnerships with local parent groups, CBOs and health departments
- Expand on opportunities to do intersectional work: (example AT safety policies & EJ work)
