Response to SRP 2.0 Questions

Last Updated: May 16, 2023

Q: How do I complete the measurable outcomes attachment without the template?

A: Measurable outcomes and baselines are not required with the application submittal however both must be developed prior to project kick off. To assist applicants and ensure consistency in the data collected, SCAG is developing an approach to use across the region.

Q: Can I submit a draft application for feedback before the deadline?

A: Yes, you can submit a draft application for pre-review to obtain general feedback and guidance on areas to improve. You can submit your draft materials to gardea@scag.ca.gov.

Q: Are jurisdiction-wide projects eligible for the SRP 2.0 program given the infill definition?

A: SCAG is currently clarifying whether projects including both urbanized and non-urbanized areas, like community plans or jurisdiction-wide projects, are eligible uses.

Q: Will my COG need to re-certify/re-procure our REAP 1.0 bench of consultants for REAP 2.0 work activities?

A: Yes, COGs will need to re-certify with SCAG, though it will be an abbreviated process. You can find SCAG's risk assessment form at https://scag.ca.gov/post/subregional-partnership-program-20.
