TO: Bylaws and Resolutions Subcommittee 

FROM: Hasan Ikhrata, Executive Director, (213) 236-1944. ikhrata@scag.ca.gov

SUBJECT: Proposed Bylaws Changes

RECOMMENDED ACTION: That the Subcommittee review the following additional changes to the SCAG Bylaws proposed by SCAG First Vice-President Glen Becerra; provide direction to staff, and forward its recommendations to the Regional Council (RC).

EXECUTIVE SUMMARY: *Each year, in preparation for the annual General Assembly meeting, proposed resolutions and proposed amendments to the SCAG Bylaws are considered by both the Bylaws and Resolutions Subcommittee (Subcommittee) and the Regional Council, prior to submission to the General Assembly. As the Subcommittee may recall, an amendment increasing the number of Regional Council Districts from the 67 to 70 was previously recommended for approval by the Subcommittee and the Regional Council. This particular proposed amendment has been forwarded to the General Assembly for review and approval on April 5, 2012.*

Recently, SCAG First Vice-President Becerra proposed additional Bylaws amendments with the intent of having these considered by the RC on April 4, 2012, and the General Assembly on April 5, 2012. The proposed amendments relate to amending the composition of the Executive Administration Committee (EAC) to include the Chair and Vice-Chair of the Legislative, Communications and Membership Committee (LCMC) and one additional Presidential appointment to the EAC. In addition, Councilmember Becerra is proposing an amendment at the request of Councilmember Marsha McLean, the official representative for Santa Clarita, that would allow "For a Regional Council District comprised of two (2) or more cities, when the designated Regional Council District representative is not present for a meeting, a SCAG policy committee member from one of the cities within the District who has attended the prior two (2) Regional Council meetings, may at the invitation, and sole discretion of SCAG's President, sit with the members of the Regional Council during their meeting, participate in all discussions, but shall not vote on matters before the Regional Council."

The Subcommittee is requested to review these proposed changes to the Bylaws, provide direction to staff, and formally provide recommendations to the RC on April 4, 2012.

STRATEGIC PLAN: This item supports SCAG's Strategic Plan, Goal 1: Improve Regional Decision Making by Providing Leadership and Consensus Building on Key Plans and Policies; Objective c: Provide practical solutions for moving new ideas forward.

REPORT

BACKGROUND:

First Vice-President Glen Becerra is proposing an additional amendment to the Bylaws that would add to the membership of the EAC, the Chair and Vice-Chair of the LCMC and one more Presidential appointment (total appointments would be 4). With this proposal, the EAC would have a total of 17 members. Staff agrees with this proposal given that including the Chair and Vice-Chair of the LCMC within the membership of the EAC is consistent with the LCMC being a permanent committee of the RC (along with the EAC and the three (3) Policy Committees). In addition, the new total of 17 members on the EAC is helpful in cases of a tie vote. Staff has incorporated this proposal in the attached marked-up version of the SCAG Bylaws (see, Article V, Section C at pages 12-13). In addition, the quorum requirement of the EAC based upon this proposal would increase from 7 to 9 members (see, Article V, Section C(4) at page 13).

Councilmember Becerra is also proposing a Bylaws Amendment which would allow a SCAG Policy Committee member from one of the cities in a RC District to sit with the RC and participate in the RC discussion without the right to vote, in the event that the designated RC District representative is not present for the RC meeting. Councilmember Becerra is bringing forward this proposal on behalf of Councilmember Marsha McLean from the City of Santa Clarita. Specifically, this proposal would provide that "For a Regional Council District comprised of two (2) or more cities, when the designated Regional Council District representative is not present for a meeting, a SCAG policy committee member from one (1) of the cities within the District who has attended the prior two (2) Regional Council meetings, may at the invitation and sole discretion of SCAG's President, sit with the members of the Regional Council during their meeting, participate in all discussions, but shall not vote on matters before the Regional Council."

SCAG staff takes no position on this particular proposal and awaits further discussion and direction by the Subcommittee. However, staff notes that allowing this proposal may be difficult to manage and may be more complicated for other RC Districts. It may also open it up for other situations regarding RC representation. For this reason, pending further direction by the Subcommittee, staff has not incorporated this proposed Bylaws amendment within the attached marked-up version of the Bylaws.

Finally, considering these Bylaws Amendment proposals is permissible under the Bylaws. Specifically, the SCAG Bylaws provide in Article XI that "Amendments to these Bylaws may be proposed by an Official Representative or *by the Regional Council*. If proposed by an Official Representative, the amendment shall be submitted to the RC at least forty-five (45) days prior to a regular meeting of the General Assembly. Proposed amendments to the Bylaws shall be considered by the Bylaws and Resolutions Subcommittee, and thereafter, by the RC. The proposed amendments, along with the recommendations of the RC, shall be forwarded to the Official Representative of each member at least thirty (30) days prior to the General Assembly meeting at which such proposed amendments will be voted upon." (Emphasis added). These provisions distinguish between Bylaws Amendment proposals submitted by an Official Representative (or delegate to SCAG) which requires that such proposals be submitted 45 days prior to the General Assembly meeting, and Bylaws Amendment proposals submitted by the RC.
