</table>

**Notes**

* The city boundaries for the base year and the projected year are based on January 1, 2011.

** Eastvale and Jurupa Valley RHNA figures are still part of Riverside County RHNA allocation and will be determined and provided shortly.

*** Draft RHNA allocation (by components) = household growth (1/1/2014-9/30/2021)+base market vacancy needs+total replacement needs- vacancy credit

**** Draft RHNA allocation (by components) by jurisdiction is subject to rounding adjustment.

***** Tribal Land household growth credit (2,810) was already applied to household growth of selected local jurisdictions.

****** If the excess vacancy credit exceeds the sum of household growth, base vacancy needs, and replacement needs, then Draft RHNA allocation (Net RHNA) can be either of 2 units or 1% of the sum of household growth, base vacancy needs, and replacement needs, whichever is bigger.
