Sacramento, CA 95814

SUBJECT: California 2021 FSTIP Approval

Dear Mr. Omishakin:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed our reviews of the 2021 Federal Statewide Transportation Improvement Program (FSTIP), which was submitted by your letter dated April 1, 2021. As detailed in your letter enclosed, the 2021 FSTIP incorporates by reference the following metropolitan planning organizations' (MPO) Federal Transportation Improvement Programs (FTIP):

- Association of Monterey Bay Area Governments (AMBAG)
- Butte County Association of Governments (BCAG)
- Fresno Council of Governments (FresnoCOG)
- Kern Council of Governments (KCOG)
- Kings County Association of Governments (KCAG)
- Madera County Transportation Commission (Madera CTC)
- Merced County Association of Governments (MCAG)
- Metropolitan Transportation Commission (MTC)
- Sacramento Area Council of Governments (SACOG)
- San Diego Association of Governments (SANDAG)
- San Joaquin Council of Governments (SJCOG)
- San Luis Obispo Council of Governments (SLOCOG)
- Santa Barbara County Association of Governments (SBCAG)
- Shasta County Regional Transportation Planning Agency (SCRTPA)
- Southern California Association of Governments (SCAG)
- Stanislaus Council of Governments (StanCOG)

- Tahoe Metropolitan Planning Organization (TMPO)
- Tulare County Association of Governments (TCAG)

We find that the FSTIP and FTIPs, were developed through a continuing, cooperative, and comprehensive transportation planning process in accordance with the metropolitan planning provisions of 23 U.S.C. 134 and 49 U.S.C. Chapter 53 as amended by Public Law 114-94, the Fixing America's Surface Transportation (FAST) Act.

The United States Environmental Protection Agency (EPA) has designated the following planning areas as Nonattainment or Maintenance Areas for Criteria Pollutants:

- Butte County Association of Governments (BCAG)
- Fresno Council of Governments (FresnoCOG)
- Kern Council of Governments (KCOG)
- Kings County Association of Governments (KCAG)
- Madera County Transportation Commission (Madera CTC)
- Merced County Association of Governments (MCAG)
- Metropolitan Transportation Commission (MTC)
- Sacramento Area Council of Governments (SACOG)
- San Diego Association of Governments (SANDAG)
- San Joaquin Council of Governments (SJCOG)
- San Luis Obispo Council of Governments (SLOCOG)
- Southern California Association of Governments (SCAG)
- Stanislaus Council of Governments (StanCOG)
- Tulare County Association of Governments (TCAG)

As such, the above MPOs Policy Boards have made an initial conformity determination on the above FTIPs and associated Regional Transportation Plan (RTP) amendments, as applicable, before your letter dated April 1, 2021. The FHWA and FTA have reviewed the conformity determinations and find that the FTIPs, the associated RTP amendments, and associated conformity determinations conform to the applicable state implementation plan (SIP) in accordance with the provisions of 40 CFR Parts 51 and 93. This finding has been coordinated with Region IX of the EPA pursuant to the Transportation Conformity Rule.

Based on our review of the information provided and our ongoing oversight of the statewide and metropolitan transportation planning processes, the FHWA and FTA are approving the 2021 FSTIP. This approval is effective April 16, 2021. This approval is given with the understanding that an eligibility determination of individual projects for funding must be met, and the applicant must ensure the satisfaction of all administrative and statutory requirements.

Included with this approval is FHWA and FTA's Federal Planning Finding (FPF). FHWA and FTA are required under 23 CFR 450.220(b) to document and issue an FPF in conjunction with the approval of the FSTIP. At a minimum, the FPF verifies that the development of the FSTIP is consistent with the provisions of both the Statewide and Metropolitan transportation planning requirements. Furthermore, the FPF documents FHWA and FTA's recommendations for statewide and metropolitan transportation planning improvements.

If you have questions or need additional information concerning our approval and the FPF, please contact Mr. Antonio Johnson of the FHWA California Division at (916) 498-5889, or by email at antonio.johnson@dot.gov, or Mr. Ted Matley of the FTA Region 9 Office at (415) 734-9468, or by email at ted.matley@dot.gov.

Sincerely,

VINCENT PAUL MAMMANO  Digitally signed by VINCENT PAUL MAMMANO
