President Curt Hagman, Honorable Members of the Regional Council, and Executive Director Kome Ajise:

I am submitting these public comments to express my sincere appreciation and gratitude for the generous proclamation recognizing my retirement from SCAG on October 15, 2024. As a former Planning Supervisor in the Environmental Analysis Business Unit, I am deeply honored by this thoughtful gesture and truly appreciative of the recognition of my more than 30 years of dedicated service with SCAG.

I would also like to take this opportunity to acknowledge the remarkable leadership of the Regional Council in making the SCAG region a better place to live, work, and thrive for its 19 million residents. Throughout my tenure at SCAG, I witnessed firsthand the Regional Council's unwavering commitment and effective leadership in addressing complex transportation, environmental, land use, and housing issues, as well as its success in advancing initiatives that benefit the entire Southern California region in meaningful ways.

I also want to recognize all SCAG staff for always going above and beyond to make SCAG such an inspiring and impactful organization, with forward-looking leadership, capable and dedicated staff, a nurturing culture, performance-based competitive compensation, state-of-the-art offices and information technology, solid financial management, and highly collaborative and efficient agency-wide processes. It has been a pleasure and privilege to work in such an environment, and I am proud to have been part of an organization that cares deeply about both its mission and its people.

Once again, my heartfelt thanks to the Regional Council and all SCAG staff for this special recognition. I wish SCAG continued success under the outstanding leadership of President Curt Hagman, the Regional Council, and Executive Director Kome Ajise in the coming year and beyond.

With deep appreciation,

Rongsheng Luo
